Hi Judith, please see below the final draft Qs & As for Associated Press and let me know if you have any comments. We'd like to finalize these and schedule your interview with the reporter asap this week. Thanks!

What is EPA doing to determine whether other communities have PFOA contamination in their water supplies? Is there any effort underway to identify places that are potentially at risk, and have the water tested?

Ex. 5 - Deliberative Process

Also, why is there no enforceable limit on PFOA or PFOS in drinking water?

Ex. 5 - Deliberative Process

What is the EPA timetable for addressing the Hoosick Falls water contamination?
